MM-S, LCD Brackets

Model **MM-S** Medium Mount - Single

VFI introduces a fixed mount for small to medium LCD flat panel monitors. The MM-S mount for single monitors, integrates with VFI plasma carts to provide a solid secure connection - creating a truly portable roll-about video system. Designed for smaller videoconferencing installations, this unit features a camera / codec shelf - that is height adjustable and industry standard. The mount's cable channel allows cable passage from the camera platform right down into the cart's interior cabinet .

This mount accommodates most 17" to 32" monitors. Max hole locations are 200mm wide by 200mm high in 12.5mm increments for height adjustment.

Standard Features Include:

- Sturdy steel construction.
- a grommet for hiding cables
- Accommodates most 17" - 32" flat panel monitors
- Height adjustable, integrated camera / codec mount
- Interior wiring channel
- Heavy duty fastening hardware included
- Designed to integrate with VFI plasma carts
- Black Powder coat finish.
